

PROPLAST POLYMERS INDUSTRY LLC

INSPIRING THE WORLD OF PLASTIC

About us:

Proplast Polymers Industry LLC is one of the leading manufacturers and traders of *Virgin and Recycled plastic raw materials* in the middle east region. Started its operation in 2022, passionate to work in the world of plastics. We pride ourselves on our quality, consistency, and on-time delivery. Customer satisfaction has always been our goal.

Our prime focus is not only reducing waste but to help convert it into flexible and rigid packaging products. We are very committed to the environment and our aim is to lead the way in facilitating the circular economy. We try our best to recycle as much plastic as possible thereby reducing the amount of waste which is sent to landfill sites.
